Application No. 10/820,773  
Filing Date: 04/09/2004  
First named inventor: Elmar Reinhold Burchardt  
Attorney Docket No.: FIBROMUN

Sirs:

This refers to the "Notice to comply with requirements for patent applications containing nucleotide sequence and/or amino acid disclosures" from May 28<sup>th</sup> 2004

And to

the filing receipt (confirmation no. 9879)

Submitted herewith are:

1. Copy of "Notice to comply with requirements for patent applications containing nucleotide sequence and/or amino acid disclosures"
2. Paper copy of "Sequence Listing". Please note that the sequence listing is identical to the sequence listing recorded in computer-readable form.
3. Computer Readable Form with "US sequence data PCP.prj" file and "US sequence data PCP.ST25.txt" file.

Please also note that the identical application has been sent to the office by two separate couriers to ensure timely receipt of the application. I am attaching the two mailing receipts as photocopies. A letter explaining that the application has been shipped twice was attached to the original application.

Apparently the copy sent by FEDEX has reached the office by April 6<sup>th</sup>. I would therefore kindly ask the Office to grant 04/06/2004 as the filing date.

2

In addition, I am attaching a copy of my credit card charges summary. Please note that the application fee has been charged to my credit card twice. Since the two application copies are identical, I kindly ask the Office to refund me the application charges for the copy which was received later (apparently on April 9<sup>th</sup>?).

Respectfully,

Elmar R. Burchardt, M.D., Ph.D.  
Applicant Pro Se
